### **NEW STAFF**

You may have noticed some new faces in our team. Three students Hayley, Louise and Georgina will be with us over the summer and here they tell us a little bit about themselves:

#### **LOUISE BADHAM**

“I am 19 years old and currently attending University of Glamorgan where I am studying sport and Exercise Science. I have 2 years left of my course. In my spare time I play Netball, Tennis and enjoy running and going to the gym. Over the summer I will be working in the Pre-Class.”

#### **HAYLEY GENTLE**

“I am 21 and have just graduated this summer from doing a history degree at University in London. I’ve been working in my holidays at South Hills School down in the Pre-Class and Dairy since the summer of 2007, so I’m sure many of you have seen me around! My aim is to become a primary school teacher, so I shall be off to university again in the next year or so!”

#### **GEORGINA SHIPSEY**

“I am currently studying a three-year degree course in Early Years Education at Bath Spa University, in which I have just finished my First Year. I have ridden horses since I was seven years old and have recently completed my Duke of Edinburgh Gold award. I attended school in Salisbury and enjoy evenings out with my friends.”

#### **DAIRY 1**

Parents are reminded that children currently in Dairy 1 class will be moving to the Barn 2 class with effect from Monday 20<sup>th</sup> July 2009.

#### **SWINE FLU**

We would like to assure parents that we are maintaining high standards of hygiene at South Hills. Please be advised that if a child has a high temperature or displays other symptoms associated with Swine flu he or she will be isolated and you will be contacted and required to collect your child immediately. Similarly, if your child displays symptoms at home we would not expect them to be brought in to school.
