

Pupils' view

A series that gives pupils the chance to say what aspects of school life they enjoy

The spotlight this month is on **South Hills School**

'I like drawing hearts, flowers and rainbows. I also enjoy playing with our dolls' house. I designed and made my duck, it is really pretty.' **Imogen, 5 years**

'I really like maths because it is fun and I love making and designing things. When the lady came from Langford Lakes we made nests and bird masks. Our nest was really pretty with purple flowers in.' **Trinity, 6 years**

'I love coming to South Hills School because my brother and sister came. I like to play with my friends and find chocolates in the calendar.' **Teegan, 3 years**

'I made cracker cakes with glitter you can eat on them. I like the ducks and the pig's curly tail. Sometimes it's a bit cold.' **Sienna, 4 years**

'I love feeding all the animals especially the chickens, goats and piglets with their mummy Patch. I liked making nests out of grass and rocks. I worked with Darcie and JJ.' **Joseph, 5 years**

Pupils' view

'I like hugging the teachers. I love running around the Sensory Garden because it is big and you can run around lots of times.' **Tilly, 4 years**

'I like doing puzzles and drawing. I like rabbit books and playing with the dice and blocks. I play with the toys outside. We feed the animals. I like the fish and the rabbits.' **Mathilda, 3 years**

'Because I like playing with my friends, we play games and my favourite game is trains. I love the animals and Toby the horse is funny because he rolls around.' **Hal, 4 years**
